## Affordable, Effective Solutions for Small Businesses

Small Business Chamber Members with 1-50 Employees Now Have  
Access to Employee Assistance of Central Virginia's EAP Benefit  
At Significantly Reduced Savings!

**Employers pay only \$18.75 per employee, annually.  
All services are at no cost to the employee.**

**AN EMPLOYEE ASSISTANCE PROGRAM (EAP)** is a benefit that serves two functions. One is to provide employees and their immediate family members with confidential, professional help for life and work concerns. The second function is for businesses, as EAP provides knowledge and support for managing job performance issues in the workplace. One fee covers it all.

### Benefit Includes:

- Assessment & Problem Resolution Planning for employees and immediate family members
- Supervisor / Employer referrals for workplace performance issues
- Crisis Intervention and Critical Incident Debriefing
- Short term Counseling
- Consultations regarding workplace behavioral problems
- Supervisor / Management Training and Employee Awareness Sessions held regionally

Contact Employee Assistance of Central Virginia for more information and enrollment at (434) 845-1246 or email us at [info@eacv.org](mailto:info@eacv.org). You will need to be a current member of the participating Chambers of Commerce to take advantage of this Small Business Association.
